2 Season of hope Bank economists put it in 1994. The average per capita income of whites was about 9.5 times higher than Africans. The distribution of wealth was even more unequal than income, as a result of land alienation and laws blocking Africans' access to private and commercial property. Access to government services was similarly skewed.

Season of hope - ZODML

A Season of Hope: Her Story, His Story, Their Story is a journey into their lives, different and unique, as they discover their season of hope again at ages sixty-two and fifty-five. Bathed in their amazement of God's working in their lives, you will find yourself identifying your own season of hope!
