Too often, child abuse continues because kids are coerced into keeping problems a secret. This article is from The Kidpower Book for Caring Adults: Personal Safety, Self-Protection, Confidence, and Advocacy for Young People, a tremendous resource for protecting children from abuse, bullying, kidnapping, and other violence.

What Kinds of Secrets Are Okay for Children to Keep – And

Opening to the Inner Child 5 We currently understand this empathic reaching to inner child as synonymous with realizing the authentic, whole expression of one's essential nature or "I-amness." If this authentic self-expression finds support and nurture in one's life, authentic personality (Firman & Russell, 1994) is formed—one's at-
