SECULARISM - WIKIPEDIA

## **secularisation sacred values in pdf**

Secularization (or secularisation) is the transformation of a society from close identification and inn with religious values and institutions toward nonreligious values and secular institutions. The secularization thesis refers to the belief that as societies progress, particularly through modernization and rationalization, religion loses its authority in all aspects of social life and ...

Secularism, as defined in the Merriam-Webster dictionary, is the "indifference to, or rejection or exclusion of, religion and religious considerations." As a philosophy, secularism seeks to interpret life on principles taken solely from the material world, without recourse to religion. In political terms, secularism is the principle of the separation of government institutions and persons ...

Those who 'do not belong' have first shed the practical and theoretical underpinnings of their religion, before finally overcoming social pressure to "state your religion". There are many who are not at the later stages of this secularisation process, so they still say they 'belong', although they are in the process of forgetting & discarding the physical and mental aspects of what they say ...
