Speaking too fast is often the result of not stopping to breathe often enough. Solution: To slow down your speaking with the breath, consciously take a breath before you begin. Remember to stop and breathe between ideas. The next time you practice a presentation, take time to inhale and exhale deeply five times before you start to speak.

Aquemini is the third studio album by American hip hop duo Outkast. It was released on September 29, 1998, by LaFace Records. The title is a portmanteau of the two performers' Zodiac signs: Aquarius and Gemini (André 3000), which is indicative of the album's recurring theme of the differing personalities of the two members. The group recorded the majority of the album in Bobby Brown's Bosstown ...

Multimedia instructional design principles. Beginning with cognitive load theory as their motivating scientific premise, researchers such as Richard E. Mayer, John Sweller, and Roxana Moreno established within the scientific literature a set of multimedia instructional design principles that promote effective learning. Many of these principles have been "field tested" in everyday learning ...
