About the report. The Safe Cities Index 2017 is a report from The Economist Intelligence Unit sponsored by NEC. The report is based on the second iteration of the index, which ranks 60 cities across 49 indicators covering digital security, health security, infrastructure security and personal security.

The Safe Cities Index 2017 | Safe Cities 2017

Climate finance refers to finance for climate change related activities. Though the coverage is wide but the United Nations Framework Convention on Climate Change (UNFCCC) Standing Committee on Finance has defined it as “finance that aims at reducing emissions, and enhancing sinks of greenhouse gases and aims at reducing vulnerability of, and maintaining and increasing the resilience of ...

Climate Finance - Wikipedia

We are committed to helping our customers recycle responsibly. Our product recycling goal is to recycle 1.2 million tonnes of hardware and supplies by 2025 since the beginning of 2016, and we’ve recycled 271,400 tonnes through 2017.

Seeing the big picture of information and information management. We don’t just need to master information management, we also have to achieve information management excellence and ‘activate’ our information, put it at work, unlock the value in it.. An information management framework via Wikipedia. Fortunately we don’t have to understand nor master everything at once.

Information management and strategy – an executive guide

Transferwise. TransferWise is a new type of financial company that allows customers to send money internationally at a fraction of the cost that most banks and providers charge.
